## Winter Cancellation Policy

Because the weather in Minnesota can be unpredictable at times, we would like to make you aware of our winter weather cancellation policy.

Although we will make every effort to play on a weekly basis, the safety of our participants and game managers is our objective.

To begin with, we will try our best to advise everyone of a weather cancellation. Your cooperation is needed in this effort. Please keep in mind that we cannot call everyone individually, so we ask that you provide us with a phone number that we text you or an email that you may be contacted.

Secondly, we will place notifications on our Facebook and Twitter accounts, as well as our website: [welovetoplay.org](http://welovetoplay.org), to notify people. If you are on Facebook or Twitter, we encourage you to like our feeds so we can keep you up to date.

Please know that if there is a Winter Storm Watch or Warning, it is likely that we will cancel activities during this period. Our goal is to make the cancellation decision at least 18 hours before our scheduled start time.

If you have any question regarding potential cancellation you are welcome to reach me, Charlie, at 612-730-4968.
